Overview:

With 10 institutions strongly bound by the sound principles of quality and integrity in academics and excellence in athletics, the Metro Atlantic Athletic Conference enters its 26th year of competition during the 2006-2007 academic year.

The MAAC was founded in 1980 by six charter members: the U.S. Military Academy, Fairfield University, Fordham University, Iona College, Manhattan College and Saint Peter's College. Competition followed one year later in the fall of 1981 with members competing in the sports of men's cross country and men's soccer. On January 2, 1982, Army traveled to Iona for the first MAAC men's basketball game and the MAAC story had begun.

Today, Conference members include: Canisius College, Fairfield University, Iona College, Loyola College (Md.), Manhattan College, Marist College, Niagara University, Rider University, Saint Peter's College, and Siena College. In addition, associate members Duquesne University and LaSalle University compete in football. Le Moyne College competes in baseball and women's lacrosse, while Mount St. Mary's College, Providence College, Saint Joseph's University, Virginia Military Institute and Wagner College compete in men's lacrosse. The MAAC will support 25 sports and conduct 24 championships during the 2006-2007 academic year.

MAAC Associate Sports:

In January of 1993, the conference announced the formation of the MAAC Football League, which began play in September 1993. The league consists of the three football-playing MAAC schools – Iona, Marist and Saint Peter's – and two associate members Duquesne and La Salle. The MAAC Football League keeps costs to a minimum through a series of innovative conference rules involving travel squad size, length of the practice season, and a limited number of full-time coaches. Most importantly, however, there are no athletic scholarships, just need-based financial aid.

In June of 1995, the MAAC continued to develop opportunities for student-athletes as the conference announced the formation of the MAAC Men's and Women's Lacrosse Leagues. The men's league began competition in the spring of 1996, while the women's league commenced in the spring of 1997. The men's league consists of four MAAC schools — Canisius, Manhattan, Marist, and Siena – and five associate members – Mount St. Mary's, Providence, Saint Joseph's, Virginia Military Institute and Wagner. The women's league consists of MAAC institutions Canisius, Fairfield, Manhattan, Marist, Niagara and Siena, plus Le Moyne.

In 2002, the MAAC added the MAAC Women's Water Polo League, making it the 25th sport that the conference sponsors. The league is made up of three MAAC schools – Iona, Marist and Siena – as well as three associate members, St. Francis (NY), Villanova and Wagner.

Academics and Athletics:

The MAAC prides itself on the accomplishments of its student-athletes in the classroom, as well as on the field. Mary Beth Riley, a 1991 graduate of Canisius, was the first recipient of the NCAA Woman of the Year Award. In the fall of 1998, Erin Whalen, a member of the Iona women's rowing team, was awarded one of the nation's 32 Rhodes Scholarships for academic achievement and civic leadership. Jose Vargas, a Loyola student, was also awarded a Rhodes Scholarship in 1999.

First-class facilities are the rule with MAAC schools, as teams regularly play in top-notch arenas, such as Madison Square Garden, the Continental Airlines Arena, HSBC Arena, Pepsi Arena, the Arena at Harbor Yard and Sovereign Bank Arena. The other MAAC championships boast their share of outstanding locales as well, such as Dutchess Stadium in Fishkill, NY, home of the baseball championship, and the fabled Van Cortlandt Park in the Bronx, where the cross country championships are contested. This year, the MAAC will take its Volleyball Championship as well as Men's and Women's Golf Championships to Orlando, Florida, where it will conduct its post-season championships at Disney's Wide World of Sports Complex. In 2007, the MAAC Men's Soccer Championship will be at Walt Disney World.

In the past several years, several of the MAAC schools have also enjoyed success in NCAA Tournaments. MAAC schools have made a total of 69 NIT appearances and 37 NCAA appearances. Combined with recent bracket expansion in several sports, the MAAC possesses 11 automatic bids in men's and women's basketball, baseball, softball, men's and women's soccer, volleyball, men's golf, men's and women's tennis, and men's lacrosse. In 2003, the Iona College men's cross country team finished fourth – just one point out of third place – at the NCAA Division I Cross Country Championships. Canisius softball, Manhattan track, Manhattan and Marist baseball and Loyola soccer and lacrosse have also flourished on the national stage.

The MAAC has also been a leader in the forefront of technology, expanding the notoriety of the league into cyberspace. In 2001, the league retained Host Communications, Inc. to sponsor the MAAC web page. Launched in November 1999, www.maacsports.com has been a great success, providing fans with up-to-date contest results, fan polls and an online merchandise store.
