A larger purpose. A proven method. An historic place.

Founded in 1839 as the nation's first state military college, the Virginia Military Institute has made major contributions to the development of American higher education.

Civil Engineering, a subject rarely taught in colleges and universities before 1839, was established at the founding of VMI as the corner stone of its program. The first industrial chemistry course in the south was developed at VMI by Commodore Matthew Fontaine Maury. Today, VMI's demanding academic program reflects the established needs and the emerging trends of a constantly changing society.

VMI is a state-supported undergraduate college for young men and women. It offers a choice of majors from the general fields of engineering, liberal arts, and the sciences.

Programs leading to the bachelor degree include biology, chemistry, civil engineering, computer science, economics & business, electrical engineering, english, history, international studies, mathematics, mechanical engineering and physics. All academic courses are taught by full-time faculty members, 80 percent of whom hold the doctorate degree. Successful completion of the VMI program enables cadets to enter many civilian professions, the Armed Forces, or to continue at graduate, medical, and law schools.

The challenging military portion of the VMI program is a distinctive aspect of the VMI college experience, and it reflects the Institute's debt to the United States Military Academy and the prestigious Ecole Polytechnique in Paris, France. All students at VMI are members of the Corps of Cadets. The Department of Defense maintains Army, Navy and Air Force ROTC units and cadets are required to take eight semesters of ROTC classes and encouraged to seek commissions in these three branches of the Armed Forces. Commissions are available, if cadets meet the necessary standards, and are contingent upon the needs of the Department of Defense. While the military program is an important part of the overall VMI experience, it is only one of several functions of the Institute. Historically, only about seventeen percent of VMI's graduates have chosen military careers. The Institute's programs have been based on the concept of the citizen-soldier, a man prepared to take his place in civilian life, but ready to respond in times of national military need.

Almost from the first day of its founding, VMI men have served America in many fields of endeavor. More than 14,000 graduates since 1839 have moved from cadet life to enter finance, business, industry, government service, and the professions. In the military VMI men have held top command posts. The Chief of Staff, the Deputy Chief of Staff of the United States Army in World War II, and two former commandants of the U.S. Marine Corps were VMI graduates. Distinguished service by other VMI men has been rewarded through a variety of honors, including a Nobel Peace Prize, Congressional Medals of Honor and Rhodes Scholarships.

Lacrosse 99

The 1999 Virginia Military Institute Lacrosse guide was compiled and written for the benefit of all interested in learning detailed information regarding the Institute, coaches, staff, and student-athletes of the Keydet lacrosse program. Requests for any additional information should be directed to Pete Lefresne, Assistant Sports Information Director.

FACILITIES: Patchin Field, primary home of the VMI lacrosse program, is located on the backside of Institute Hill from U.S. 11 Business. Detailed directions on how to reach the field are available from VMI Sports Information. Parking is available adjacent to Patchin Field. Alumni Memorial Field, located on U.S. 11 Business in Lexington, will be the site of the game against Washington & Lee.

KEYDETS ON-LINE: World Wide Web users can access the VMI Athletic Department web site through their web browser at www.vmi.edu/~athletic. The site contains updated statistics, results, and roster information, as well as updated info on every Keydet athletic team.

INTERVIEWS: All interviews with VMI student-athletes must be coordinated through the VMI Sports Information Office. Since cadets do not have phones in their rooms, phone interviews are usually done in the Sports Information Office. Please call ahead so we can arrange a convenient time for both you and the student-athlete.

GAME RESULTS: A brief story and game statistics will be available from VMI Sports Information approximately 45 minutes after the completion of all home games (excluding neutral site contests). Updated cumulative statistics are usually available within 24 hours of any game.

Doug Bartlett

■ SUNY-Geneseo '70 ■ 94-93 / 14 seasons overall
 ■ 84-90 / 13 seasons at VMI

Year-by-Year with Doug Bartlett

YR.	SCHOOL	REC.
1984	Radford	10-3
1986	VMI	4-9
1987	VMI	9-5
1988	VMI	11-3
1989	VMI	7-6
1990	VMI	7-5
1991	VMI	6-6
1992	VMI	9-5
1993	VMI	5-9
1994	VMI	6-7
1995	VMI	9-5
1996	VMI	6-8
1997	VMI	1-12
1998	VMI	4-10
TOTAL		94-93
AT VMI		84-90

Milestone Wins

- 1st Win:** March 1, 1984,
 25-4 vs. The Citadel
 (in Radford, Va.)
- 50th Win:** March 22, 1991,
 9-6 vs. Ohio State
 (in Baltimore, Md.)

As Doug Bartlett enters his fourteenth season at the helm of the VMI lacrosse program, he will give to the 1998 squad what he has given to every other team he has headed at VMI — stability and success.

In 1986, Bartlett took over a team that began varsity play in 1983 and immediately brought respectability to the program. Only five times in his 13 years at VMI have the Keydets registered more losses than wins, and his 84-90 mark at VMI is a tribute to the job he has done building the Keydet program.

In the past 13 seasons Bartlett's accomplishments with the Keydet lacrosse program are unprecedented. His 1992 team was ranked in the Top 25 lacrosse poll, making it only the fourth team in VMI history to be ranked in a national poll, and his 1995 edition received votes as well. He has compiled a .483 winning percentage since coming to VMI, and the program's overall winning percentage is the third best among VMI's 16 intercollegiate sports.

Making his accomplishments all the more impressive is the level of competition that Bartlett and his team routinely face. The VMI lacrosse schedule is littered with the likes of Rutgers, Virginia, Lehigh, Maryland-Baltimore County and North Carolina — teams that make waves on the national lacrosse scene.

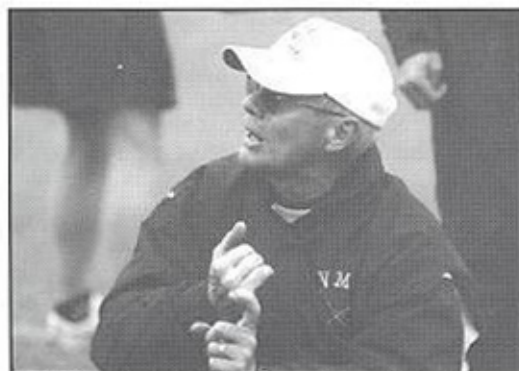

Heading into his 15th season as a head coach, Bartlett owns an overall record of 94-93.

Bartlett's coaching excellence and accomplishments at VMI have been repeatedly recognized by his peers. He has twice been selected as a coach for the South team in the North/South Lacrosse Classic — for the first time in 1992, and again last season when he joined Maryland coach Dick Edell on the South sidelines. He currently serves as chairman of the Division I North / South Lacrosse game.

Bartlett has developed a reputation as a coach who pushes his players to excel on the field and pushes himself in the recruiting wars to obtain top notch lacrosse players for his program and for VMI.

Bartlett is a 1970 graduate of SUNY-Geneseo, where he started on the lacrosse team for four years. He previously coached at Radford University, first as an assistant and then as head coach.

Doug is the father of three daughters — Jessie (10), Kelsey (7), and Malah (4).

Bartlett, a two-time South squad coach for the North/South game, prepares his team.

Brian Grady

- Offensive Coordinator
- Fifth Season
- St. Lawrence '89

As Brian Grady begins his fifth season as an assistant at VMI, opposing coaches have been forced to notice the job he has done with VMI's attackmen.

As for evidence of Grady's prowess as an offensive mind, one needs to look no further than the final 1996 NCAA lacrosse statistics. Among the nation's leaders in goals, assists and points was departed senior Joe Brockman, who flourished under Grady's tutelage. Brockman's 12-point explosion against Pfeiffer in 1996 was the highest single-game total in the NCAA that year.

The play of Rob Worrell, a 1997 graduate, is a testament to Grady's work as well. Worrell was ranked 11th in the nation in assists in 1997, and owns the Institute's career assists record. Players under Grady's tutelage have cracked the top three in every career offensive category at VMI, and Worrell sits atop both single-season and career assist charts. In addition to individual success, VMI was the best team in the country when they were a man-up in 1996.

In addition to his duties on the field, Grady is also an instructor in the Physical Education Department.

Grady received his B.S. in sport and leisure studies in 1989 from St. Lawrence University, where he was a two-year letterwinner in lacrosse as an attackman. He completed his graduate work at the University of Virginia, where he received his Master's in exercise physiology in 1994.

He began his coaching career at Bay Shore Middle School (1989-90), before being named head lacrosse coach at The Shipley School, where he served two seasons and posted a 12-15 record. While pursuing his M.Ed. at Virginia, he was a graduate assistant strength and conditioning coach for the Cavaliers' athletic program. Following graduation from Virginia, he was head varsity coach at Fork Union Military Academy for the 1994 season, posting a 5-5 record.

A native of West Islip, New York, Grady resides in Lexington with his wife Jean.

Mic Grant

- Defensive Coordinator
- Second Season
- Hampden-Sydney '92

Mic Grant is in his second season as an assistant with the Keydet lacrosse program, and will serve as Doug Bartlett's defensive coordinator.

Grant came to VMI from Hampden-Sydney College, where he was an assistant coach for five seasons under Head Coach Ray Rostan. While at H-SC, Grant worked with the Tiger defensemen, monitored academic progress, scouted opponents, and assisted with recruiting. During that period, six of his players achieved All-America distinction.

While at Hampden-Sydney, Grant also worked with Tiger soccer program, and coordinated the summer soccer camp.

Grant also has extensive experience as a lacrosse camp clinician, working at camps in Baltimore and Charlottesville, as well as in the Hampden-Sydney area.

As a player, Grant was a two-year lacrosse letterwinner at Hampden-Sydney, where he captained the squad during 1991, his senior season. He played his first two seasons of collegiate lacrosse at Ohio Wesleyan University, where he was a member of the Battling Bishops' 1988 and 1989 NCAA Division III National Finalist teams. He played in the Division III North/South Senior All-Star game in 1991.

A native of Charlottesville, Va., Grant was a First team, All-American, and First team, All-State defenseman at St. Anne's-Belfield School in Charlottesville. As a senior at STAB, he was the men's lacrosse team MVP.

Grant is single, and resides in Lexington.

Jason Hare ATC

- Grad. Asst. Athletic Trainer
- Waynesburg '98

The wisdom of experience

Doug Bartlett's 1999 team will have one major advantage over its recent predecessors - experienced upperclassmen at every position on the field. But will that experience be enough to give VMI its first winning record since 1995?

For the past couple of years, VMI was the place to be if you were a college freshman who wanted to crack the starting lineup in your first season of intercollegiate lacrosse.

While hard work in practice, learning the offensive and defensive schemes, and adjusting to new teammates was important, the reality for the Keydet lacrosse program was there were always a couple of starting slots that Head Coach Doug Bartlett looked down the ranks of newcomers to fill.

Not any more.

The 1999 edition of VMI lacrosse enjoys the luxury of having experienced players returning to every spot on the field, and the only freshman who will see the field are those who have beaten out those upperclassmen for the job. A potent offense will an incredible one-two scoring punch, an aggressive midfield with scoring potential of its own, and an increasingly efficient defense are all hallmarks of Head Coach Doug Bartlett's 14th squad since coming to Lexington. Together, they may be able to give VMI lacrosse its first winning season in four years - a bring a little glory back to a program that was, in the early 1990's, in the top half of Division I.

ATTACK

Mason Ayers to Matt Gallienne

Matt Gallienne to Mason Ayers. Get to know those two name combinations, because the PA announcer at Patchin Field will be using them a lot in 1999.

Ayers, a senior, was VMI's top scorer in 1998, with 30 goals and 24 assists to his credit. Gallienne, a junior, tallied 12 goals last season - a figure that should increase this season as he picks up the goal scoring burden left by the departed Andrew Rogers.

Senior **Aaron Bush**, a tough, physical player with an accurate shot, is the odds-on favorite to fill the third attack slot, but he will have plenty of competition. **Matt Gehring**, and **Brad Muston** can both step into the offense without missing a beat. Muston is third among returnees in scoring with 16 goals and six assists for 22 points, while Gehring recorded two goals last season.

Redshirt senior **Doug Locke** scored 13 goals in 1997, but went down injured three games into the 1998 season. If he returns to pre-injury form, he could also become a potent weapon in the Keydet arsenal.

Freshman Brandon Shinn will provide depth to the offensive bench during his freshman season.

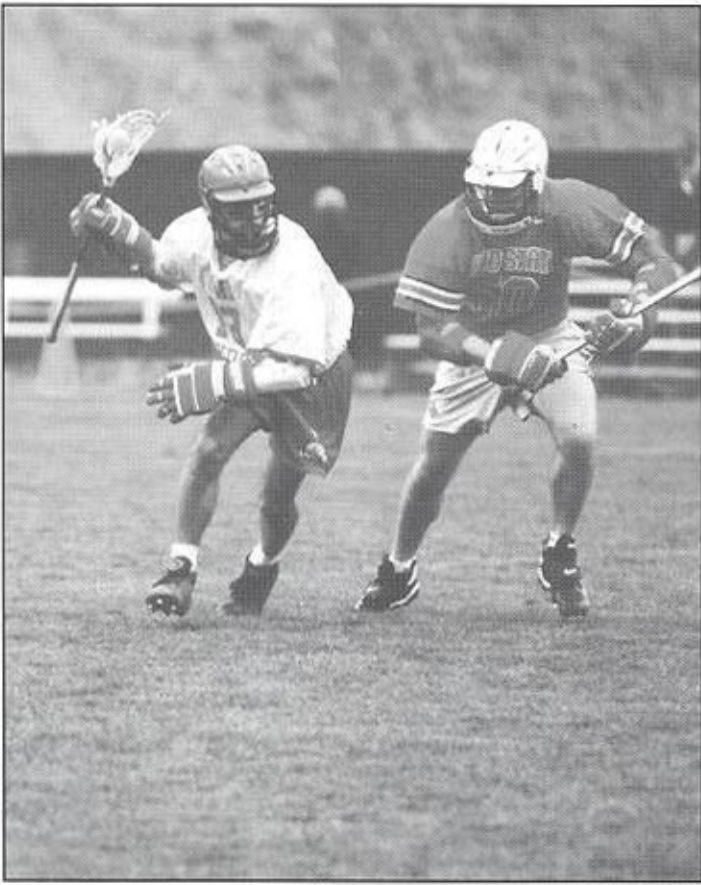

PHOTO BY CHARLES AYERS

Midfielder Derek Bogdon will be VMI's face-off specialist again in 1999. Bogdon won nearly 55% of his face-offs in '98.

MIDFIELD

VMI's greatest strength, along with its biggest loss from last year's squad, lie in the midfield.

Gone is North/South All-Star Andrew Rogers, and his 25 goals.

Filling that scoring void will be, in part, the responsibility of senior tri-captain **Tony Saraceni**. Saraceni, who is

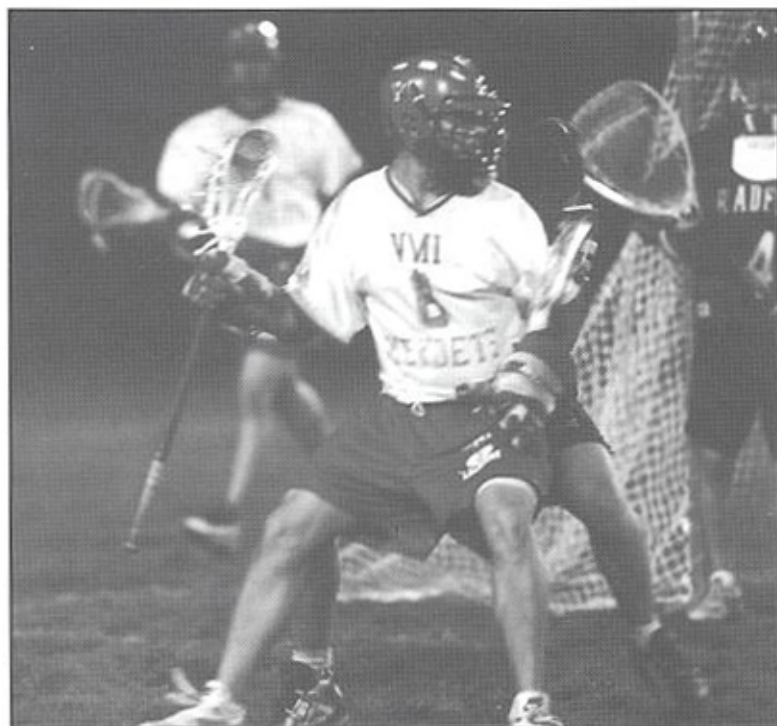

PHOTO BY CHARLES AYERS

Matt Gallienne scored 16 goals in 1998, and is expected to contribute even more during the 1999 season.

perhaps as fine an all-around midfielder as has ever worn the red, white, and yellow, was third among VMI points leaders last season with 25, and second in assists with 13. Joining Saraceni in the middle will be sophomore **Tony Mendoza**, who is an extremely quick and aggressive midfielder with defensive expertise, and sophomore shortstick **John Humphries**. Humphries, the product of a rapidly improving youth lacrosse program in Virginia's Roanoke Valley, was something of a surprise last year for the Keydets, scoring eight times and notching one assist.

Veteran backup at midfield will come from junior **Mike Meyer**, who notched six goals last season; sophomore face-off specialist **Derek Bogdon**, who scored a pair of goals last season; sophomore **Eric Siebert**, who picked up a pair of goals in 1998; senior **Vince Hog-**

an, and sophomore **Charlie Bunting**.

Several freshmen have the ability to crack the second midfield line, and possibly start if they produce offensively. Among these is **Steven Schmidt**, a highly-accomplished player at nearby Fork Union (Va.) Military Academy; **John Eddy**, and **Michael Dunn**.

DEFENSE

Defense was VMI's most stable position in 1998, where the three starters combined missed only four starts during the whole season. The good news for Bartlett is that two of those three are back.

Senior **Josh Chance** was one of only two players (the other being Mason Ayers) to start every game in '98, and he returns along with his 3.4 GB per game average. Senior **Gary Goldsmith**, who made 12 starts last season, also returns; he's another prolific groundballer who scooped up 38 GB's last year.

Battling for the third starting slot will be a wealth of talent and experience, including senior **Tim Remzi**, sophomore **Carl Haas**, and redshirt junior **Ki Hak Hwang**. Hwang, who has missed the last two seasons, is a player Coach Bartlett has long awaited to return to the field for the Keydets, with the promise of great defensive play on a consistent basis. Sophomore **Eric Lauer** and junior **Jeremy Woodhouse** could also see the field, along with freshman Nate Plecha.

GOALIE

The Keydets return nine-game starter **Cregg Burns**, who posted a respectable .544 save percentage during his freshman campaign, between the pipes. Pushing for playing time will be freshman **Alexander Ayers**, a former prep standout and brother to attackman Mason Ayers. The key for VMI will be to cut down the number of shots faced by their goalies, who last year were faced with 25% more shots on goal than their opposition counterparts.

1999 Roster

Head Coach: Doug Bartlett (SUNY Geneseo '70), 15th season

Assistant Coaches: Brian Grady (St. Lawrence '89), Fifth season

Mic Grant (Hampden-Sydney '92), Second season

Mason Ayers

- Senior ■ Attack ■ 5'10"
- Richmond, Va.
- St. Christopher's School

A versatile attacker who shoots well with either hand... Moves extremely well off the ball, and is a capable feeder... Will have to be the Keydets' go-to player if VMI is to have a winning season. **1998:** Leads all VMI returnees with 30 goals and 24 assists for 54 points... Picked up five hat tricks last season - against Holy Cross (3 goals), Lafayette (5), Siena (5), Radford (4), and Washington & Lee (3)... Earned a point in every game in '98, and was held scoreless only twice... 10 of his 30 goals were in man-up situations. **1997:** Leads all VMI returnees with 20 goals and 10 assists for 30 points... Four of his goals were in man-up situations... Also grabbed 36 groundballs... Scored a career high six goals in VMI's only victory last season, a 22-15 win over Marist... Followed that game up with a three goal effort against Lafayette, and a pair of goals against Mount St. Mary's... One of only three players to start every game of the '97 season. **1996:** Scored six goals during the season, including three against Holy Cross... Also tallied one-goal games against St. Joseph's, Marist, and Limestone. **Personal:** Was an All-American selection coming out of St. Christopher's School... Also earned All-State honors in wrestling and football... Son of Charlie and Sally Ayers... Brother of former VMI goalie Charles Ayers '97, and current Keydet freshman Alexander Ayers... A civil engineering major.

Ayers' Numbers

YEAR	G/GS	SOG	G	A	PTS.	GB	P/MIN.

John Humphries takes a shot at Siena's goalie - on of 22 he took in 1998.

Aaron Bush was among VMI's leaders on offense with seven goals and three assists for 10 points.

Gary Goldsmith

- Senior ■ Defense ■ 6'5"
- Baltimore, Md.
- Loch Raven HS

A team tri-captain... Has elevated his game over the last year... The acknowledged leader of the defensive unit. **1998:** Picked up the first point of his collegiate career with an assist against Lafayette... Started every game in which he played, missing only two games because of injury. **1997:** Played in every game last season, starting all but one... Tallied 20 ground balls, including three GB's in games against Radford and Washington & Lee. **1996:** Saw limited action in only three games, picking up only one ground ball. **Personal:** Son of Judith Sullivan... An economics and business major.

John Humphries

- Soph. ■ Midfield ■ 5'7"
- Salem, Va.
- Salem

A solid midfielder who should compete for time on VMI's first midfield line... Has a very hard right-hand shot... Runs the field well. **1998:** Scored a hat trick against Limestone... Picked up two goals against St. Andrews Presbyterian... Recorded one-goal games against Ohio State, Mount St. Mary's, and Siena... Took 111 face-offs during his freshman campaign, winning 45.9% of the time. **Personal:** Son of John and Susan Humphries... Majoring in economics & business.

Doug Locke

- Senior ■ Att. ■ 6'0"
- Alexandria, Va.
- Mount Vernon HS

An equally dangerous shooter with either hand... Also a talented face-off man. **1998:** Injured three games into the 1998 season, and granted an extra year of eligibility. **1997:** Played in 10 games... Scored two goals in VMI's victory over Marist (including a man-up goal), and a single score against Mount St. Mary's... Grabbed 29 ground balls, an average of nearly three per game... Had a career high nine ground balls against Marist... Won over 40% of his face-offs, second highest among VMI's six face-off players. **1996:** Played in 13 games off the bench... Was incredibly efficient, scoring five goals in only six shots on net... Scored a pair of goals against Holy Cross, with one-goal efforts against Mount St. Mary's, Pfeiffer, and Radford... Picked up 18 ground balls. **1995:** Played in 11 games, earning two starts, and scoring once. **Personal:** Son of Cmdr. John and Barbara Locke... A mech. engineering major.

Tony Mendoza looks to break past a Limestone midfielder during last year's clash with the Saints.

Alexander Ayers

- Fr. ■ G ■ 5'10"
- Richmond, Va.
- St. Christopher's School

An All-State selection his senior year at St. Christopher's... Led St. Christopher's to The Invitational Lacrosse Tournament (TILT) championship in '97 and '98, and was named TILT MVP in 1998... Set school records for saves in a career, and saves in a season... Also earned All-Prep honors two years in lacrosse, and two years in football. **Personal:** Son of Charlie and Sally Ayers... Youngest brother of former Keydet goalie Charles Ayers '97, and current VMI senior Mason Ayers... Majoring in economics and business.

Mark Camblos

- Fr. ■ Def. ■ 6'3"
- Keswick, Va.
- Albemarle

Has good size and will present an imposing physical presence on the field... Possesses a decent stick... With continued improvement and a strong work ethic he should develop into a solid defenseman. **Personal:** Son of Mr. & Mrs. James L. Camblos, III... Majoring in economics and business.

Michael Dunn

- Fr. ■ Mid. ■ 5'9"
- Garden City, N.Y.
- Garden City

Played for the 1997 New York State Championship team from Garden City High School during his junior season... GCHS also won the Nassau County championship during his senior year... Played two seasons of football at GCHS as a running back, leading the team in touchdowns and rushing yards during his senior year. **Personal:** Son of Martin and Marjorie Dunn... Majoring in economics and business.

John Eddy

- Fr. ■ Mid. ■ 6'1"
- Tully, N.Y.
- Tully

Comes from a strong high school program at Tully HS... Should be able to become a steady contributor in first freshman season. **Personal:** Son of Alan J. Eddy... Majoring in economics and business.

Nate Plecha

- Fr. ■ Def. ■ 6'2"
- Novi, Mich.
- Novi

Graduated from the same high school program as attackman Brad Muston... A big, strong, fast, and aggressive defenseman who has a promising future with VMI at this position... The first student in Novi HS history to graduate with 11 varsity letters - three in football, four in wrestling, and four in lacrosse. **Personal:** Son of Mr. & Mrs. Ronald P. Beck... Majoring in computer science.

Steven Schmidt

- Fr. ■ Mid. ■ 6'4"
- Huntington Station, N.Y.
- Fork Union (Va.) Military Acad.

A prolific scorer who tallied 222 goals and 89 assists over four years at FUMA... Set school records for most goals in a season, and most goals in a game... First player to lead the state in goals for two consecutive years... Named MVP of Virginia high school All-Star game... Also earned First team, All-State honors (prep school) in football... Played lacrosse for former Keydet Rusty Parrino at FUMA. **Personal:** Son of Paul and Barbra Schmidt... Majoring in history.

Lee-Jackson Lacrosse Classic

Virginia Military Institute vs. Washington & Lee University

The Lee-Jackson Lacrosse Classic dates to 1988, but the impetus for the game was a clash on VMI's Parade Ground in 1987. VMI, then in its fifth season with a varsity program, battled a W&L team ranked No. 1 in Division III to a 9-9 tie into the fourth quarter, before the Generals pulled away for a 15-9 win.

"There were 1,200 to 1,500 people at the game and they had to stop it several times to move people off the end lines," recalls VMI Head Coach Doug Bartlett. "The atmosphere at that game was unbelievable and the interest from that game gave birth to the Lee-Jackson Classic."

The inaugural Lee-Jackson game was played in 1988 on W&L's Wilson Field and the Keydets prevailed 15-9. W&L has since won nine straight games in the series, but the games have been highly competitive with four of the games decided by three goals or less.

The game now draws in excess of 2,500 spectators annually, with the site alternating between the two schools. This year's game will be played at VMI's Alumni Memorial Field.

At the conclusion of the game, the Most Valuable Player for each team is presented the Worrell-Fallon Award. The award is named after Gary Fallon, former W&L football coach and a longtime lacrosse game official, and "De" Worrell, VMI alumnus, lacrosse enthusiast, and father of former VMI standout Rob Worrell. Both were respected members of the Lexing-

1998	W&L 17, VMI 10	Wilson Field

ton community who passed away during the 1994-95 academic year.

The Classic is named after Civil War heroes Robert E. Lee and Thomas Jonathan "Stonewall" Jackson. Lee served as W&L's president from 1865-70, and Jackson was a professor at VMI from 1851-61.

The Lee-Jackson Lacrosse Classic is sponsored by the City of Lexington, Virginia Military Institute, Washington & Lee University, and the Rockbridge Area Recreation Organization. In addition to the game itself, the week leading up to the contest is filled with various social events, bringing together representatives from the two schools and various co-sponsoring organizations.

Patchin Field - Home of Keydet Lacrosse

The majority of VMI's home games are played within the cozy confines of Patchin Field, which is adjacent to the soccer, baseball, and tennis facilities at VMI.

Located to the north of Institute Hill and build over-top Woods Creek, which still runs beneath it, Patchin Field offers separate practice and game fields for VMI lacrosse. Patchin Field House, located next to the baseball diamond, houses lacrosse locker room facilities, a storage room, and an auxiliary training room that features two whirlpools, a taping bench, and four treatment tables.

In 1994, a central irrigation system was installed at Patchin Field, vastly improving the quality of the natural grass playing surfaces. Plans are in the works to expand the facilities at Patchin Field, further enhancing the facilities VMI is able to offer the student-

athlete.

Patchin Field is named after Herb Patchin, who was athletic trainer at VMI for 34 years.

USILA NORTH/SOUTH SENIOR GAME

1989	David Hope (alternate)
1992	Doug Bartlett (South coach)
1993	Dan Delawyer (alternate)
1995	Jason Pifer
1996	David Belfiore, Joe Brockman (alternate)
1998	Andrew Rogers, Doug Bartlett (South coach)

VMI prides itself on providing the student-athlete with the tools to improve himself not just intellectually, but physically.

The ability to help every Keydet lacrosse player reach his maximum potential has itself been brought to a new level in 1995 with a massive renovation and refurbishing of the Charles S. Luck '20 Memorial Weight Room, located in Cocke Hall.

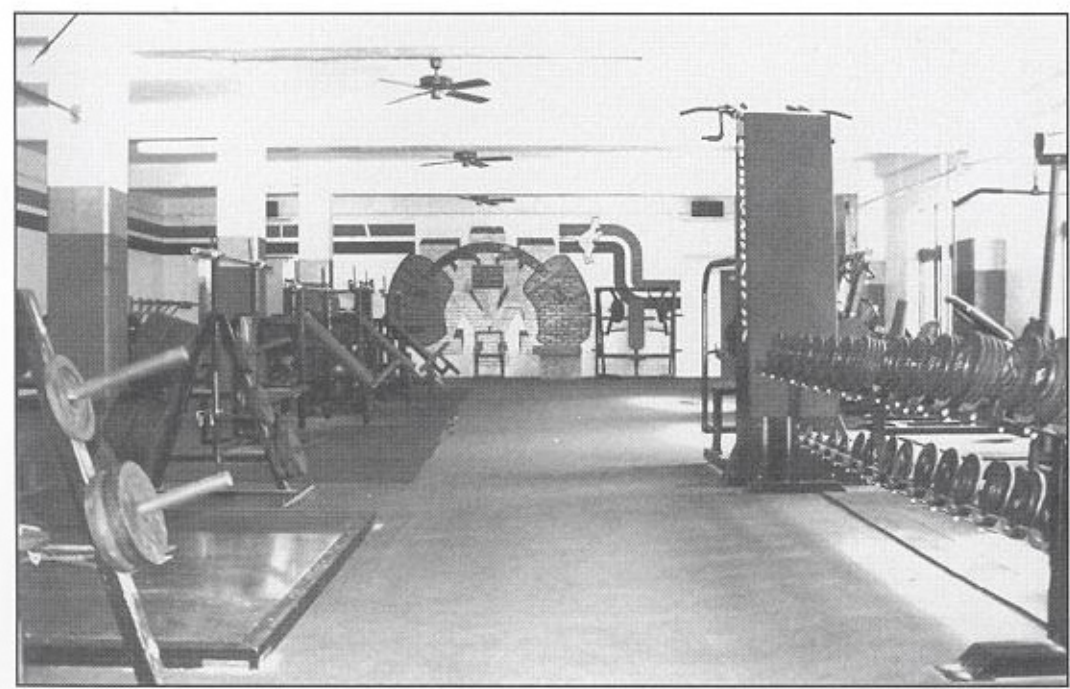

With over 7,000 square feet of space, the Luck Weight Room now contains over 15,000 lbs. of free weights, and 2,000 lbs. of dumbbell weights. Over 70 pieces of free weight training equipment are available for the use of the student-athlete, and over 40 pieces of resistive training machine-type equipment.

Among the key acquisitions of the 1995 renovations were the addition and enlargement of the dumbbell training area, which almost tripled in size and now contains weights ranging from five to 140 pounds. Auto-spot benches were installed, among the newest and safest pieces of weight training equipment available on the market. New Olympic platforms were installed, with increased cushioning and padding for the weights. Four heavy-duty power racks, weighing 400 pounds each, were installed, and a number of back, leg, and neck machines were installed to complement existing equipment. Finally, the entire area was recarpeted and repainted to provide athletes with comfortable surroundings in which to weight train.

A new addition to the list of facilities available to the student-athlete opened this spring - the Cardio Room. Located next to the Luck Weight Room, the Cardio Room is equipped with the latest in cardiovascular workout and fitness equipment - all in a pleasant atmosphere for Keydet athletes to train and excel.

The Athletic Training Room is located in Cameron Hall, with smaller auxiliary training rooms located in Clarkson-McKenna Hall and Patchin Field House. Under the supervision of Director of Sports Medicine Lance Fujiware, M.S., ATC, the sports medicine staff implement prevention of injury and immediate treatment, and rehabilitation procedures for the injured athlete, as directed by a physician. The Cameron Hall Athletic Training Room features four whirlpools, seven treatment beds, and taping bench, and various pieces of rehabilitation and treatment equipment.

Across from the Athletic Training Room is the sports medicine department's rehabilitation center, which houses lifecycles, a stairmaster, and a versa-climber for cardiovascular conditioning of rehabilitat-

The Charles S. Luck '20 Memorial Weight Room, located in newly renovated Cocke Hall.
