THE SPORTSMEN'S CLUB

Members of the VMI Sportsmen's Club (most of whom are Alumni but many of whom are just friends of the Institute) donate to the athletic scholarship program of the Institute, and it is their donations that enable our football team to keep pace with its state and Conference rivals. Their tax-free contributions are paid directly to the treasurer's office and applied to the actual school costs for the scholarship recipients.

Only the carefully-selected, C-plus or better students with high school principal's recommendations and a college preparatory course behind them are considered for VMI's athletic scholarships. Any of these recipients would also qualify for academic scholarship help.

A PROSPECTUS FOR 1957

"We have more depth now than at any time since I've been here" is the optimistic outlook VMI Coach John McKenna has as he faces his fifth season at the helm. "We can start a letterman at every position and will have lettermen behind everybody but the ends and the right halfback," beams McKenna, "but we know we're still no worldbeaters. Our reserve guards are small and a football has an odd shape—it takes too many crazy bounces,"

A good Spring practice and a lot of promising performances last season by some of the 45 varsity performers returning this time are the primary reasons for optimism. There are 21 lettermen back in the fold. The only losses from the varsity squad were graduates Carl LeBourdais from guard, Billy Elmore and Chuck McLennan from the ends, John Turley from center and Joe Moody from halfback. Also, tackle Don Basham gave up the game but will not be missed.

In '56, the Keydets were a Sophomore and Junior Club. They whipped William and Mary, Richmond and Stetson, tied Davidson and lost close ball games to Lehigh and mighty West Virginia. Even against Army and Virginia their losses were not affirmed until the fourth quarter. George Washington and Virginia Tech gained decisive victories. The 3-6-1 record was a considerable improvement over the previous season when VMI went 1-9, beating only The Citadel with the freshmen and sophs composing John McKenna's rebuilding roster. Now as Juniors and Seniors they could make this the peak year—but, hustling Sophomores will not be overlooked.

Looking over the personnel situation, the Keydets hold a lot of promise for 1958, too, since only ten of the gridders listed are Seniors; however, five of these are starters this time and are key men in the '57 picture. There are 17 sophomores in this season's lineup and the remaining 18 are juniors. Even though freshmen are eligible for varsity play, McKenna and his staff don't feel that any will make this squad.

THE COACHES

John McKenna, Head Coach—An All-American when he called defensive signals and played center with Villanova's unscored-upon 1937 team, John McKenna faces his fifth season as chief of VMI football fortunes. He's had the task of piloting the Keydets through their lowest ebb in scholarship help, but a gradual rebuilding program started two seasons ago is now beginning to show its effects.

His thoroughness, his strict demand for discipline, his stress on fundamentals and his all-around coaching job have gained McKenna the respect of all of VMI, especially the football squad. He's also gained a lot of praise in these

parts for the high calibre young man he is bringing in to play football and to become a member of the Corps. McKenna's recruits have been above the Corps average in the classroom, have been honor students, leaders in the Corps and genuinely worthy young men.

After Navy Air Arm service in World War II, McKenna coached the Malvern Prep school undefeated and unscored-upon team of 1946. He then went to Villanova as line coach for two seasons, then spent three more in the same capacity at Loyola of Los Angeles. He came here in '52 as line coach and took over the top job a year later when Tom Nugent moved to Florida State.

CLARK King, Assistant—Primarily charged with the backfield, Clark came here in 1951 as end coach, was moved to backfield job when McKenna took over as head man. An ex-Marine Captain, he coached and played at Camp LeJeune and was instrumental in that team's fleet championship of '51. Right after World War II Marine duty, he coached football, basketball and track at his home town high school in Blair, Nebraska, for five years. His teams won 70% of their contests. A graduate of Nebraska State Teachers College in 1942, he received his

Masters degree in Summer sessions at Wyoming.

Vito Ragazzo, Assistant—Holder of the NCAA record of 15 touchdown passes caught in a season (1949), Vito starred with the William and Mary powerhouses just after the war. Played end with the Hamilton Tiger Cats in Canadian pro ball, later played some defensive halfback there and helped with coaching the rookies. A Williamson, West Va., native, he coached a very successful Vinton, Va., high school before joining the VMI staff last year. He has a degree in Education from William and Mary, Class of '51.

Chuck McGinnis, Freshman Coach—A newcomer to the VMI staff, Chuck has his degree in Business from VPI, a Masters from Virginia. He played baseball at Tech, then in the Air Force played and coached with the Lackland AFB and Wright-Patterson AFB football teams. For the past four years he coached football and baseball at Nelson County, Va., high where his teams won 18, lost only ten and tied four on the gridiron.
